Really Good Cookies wins “Best Cookie” award at The 2008 Las Olas Wine and Food Festival

The Las Olas Wine and Food Festival took place on Thursday, May 1st, 2008 in downtown Fort Lauderdale on historic Las Olas Boulevard, benefiting the American Lung Association of Florida's Asthma programs and research.

Some of South Florida's most renowned restaurants and gourmet food companies were handed the culinary award of excellence in their specific categories for “Best Food”. Really Good Cookies was honored for the second year in a row in the gourmet baked goods category being awarded with “Best Cookie” recognition.

“We are just ecstatic with this honor and yet completely stunned with a two time win!” said Christine Najac owner of Really Good Cookies. “Last years recognition was the first award for us. Since then we went on to win two more product awards this past year. We have come full circle from where it all began. It was a wonderful event for us, we were thrilled just to be there standing side-by-side with all the talented Chefs represented; being honored for our product made it all the more special”.
